

Stainless Steel Band

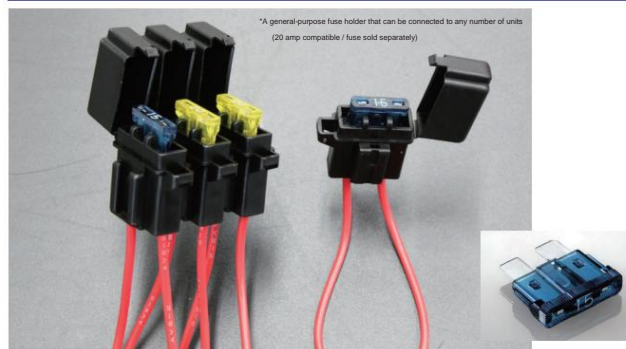

Part Number	Product	Base price
2414-0400	name Stainless steel band	310
2414-0600	(6-15 \bar{y}) Stainless steel band (8-22 \bar{y})	310
2414-SGT 1628	Stainless steel band (16-28 \bar{y})	310
2414-SGT 2335	Stainless steel band (23-35 \bar{y})	310
2414-SGT 3250	Stainless steel band (32-50 \bar{y})	390
2414-SGT 5070	Stainless steel band (50-70 \bar{y})	450
2414-0210	Clip 4 \bar{y} (inner diameter 6.8 \bar{y})	40
2414-0200	Clip 5 \bar{y} (inner diameter 7.6 \bar{y})	40
2414-0020	Clip 6 \bar{y} (inner diameter 11.3 \bar{y})	70
2414-0010	Clip 8 \bar{y} (inner diameter 12.5 \bar{y})	70
2414-SGT 6080	Stainless steel band (60-80 \bar{y})	540
2414-SGT 7090	Stainless steel band (70-90 \bar{y})	600
2414-SGT 80100	Stainless steel band (80-100 \bar{y})	600
2414-SGT 90110	Stainless steel band (80-100 \bar{y})	600
2414-SGT 90110	Stainless steel band (90-110 \bar{y})	600

Rubber Cap

Part	Product	Base price
number 2412-0120	name: 4 \bar{y} air cap	95
2412-0140	8 \bar{y} Air cap	110
2412-0130	10 \bar{y} Air Cap	135
2412-0110	12 \bar{y} Air Cap	16.0
2412-0090	16 \bar{y} Air Cap	17.5
2412-0100	21 \bar{y} Air cap	19.5
2412-W010	10 \bar{y} Water-resistant rubber cap	300
2412-W012	12 \bar{y} Water-resistant rubber cap	400
2412-W014	14 \bar{y} Water-resistant rubber cap	400
2412-W016	16 \bar{y} Rubber cap for use around water	450
2412-W019	19 \bar{y} Water-resistant rubber cap	450

Flat fuse holders and flat fuses

Part Number	Product Name	Base price
PT864	Flat Fuse Holder	350
PT825	10A flat fuse	65
PT826	15A flat fuse	65
PT827	20A flat fuse	65
PT829	30A flat fuse	65

Universal Battery Frame

- Features: The surface is vinyl coated for excellent rust and corrosion resistance.
- Use: For fixing batteries *Universal type that can be used with any vehicle

Product name: Universal battery frame AB type
 Product number F-5
 Compatible with battery widths of 127 to 129 mm
 *GC10, S30, TE27, TA22
 Fits standard sizes

Price: ¥1,000

Product name: Universal battery frame D type
 Product number F-6
 Compatible with battery width 173mm

Price: ¥1,000

General purpose eye bolts, bonnet pins and wires

Product name Eye bolt + plate set
 Part number DE-B25L (screw length 25mm)
 DE-B50L (screw length 50mm)
 price DE-B25L ¥1,500/set
 DE-B50L ¥1,600/set

remarks
 An essential item for safe use of 3-point and 4-point seat belts.
 This is an eye bolt set that is compatible with most seat belts.

Product Name: Wireless Bonnet Pin
 Part Number 00B-817-A
 Material: Steel bolts and stainless steel plates
 Price ¥5,200

remarks
 Since it is wireless, it does not get in the way and can be operated with just one touch.
 It can be opened and closed.

Product Name: Cut-off switch wire
 Product number ELMpull6
 Length Wire length: approx. 1.8m
 Price: ¥4,200 Notes

By linking it with a kill switch, you can remotely access the system in an emergency.
 Pull the T-shaped knob to stop the engine.
 It's Bull.
