

Leak stopper / Sealant / Filter & Wrench / Various rubber hoses / Others

Lithlon Super Strong Water Leak Repair Agent
Head Gasket Fix "A repair agent that has a high probability of permanently fixing water leaks from head gaskets Price: ¥11,670

Lithlon Super Powerful Water Leak Repair Agent
Radiator & Heater Core Stop Leak "Water leaks from radiators and heater cores from radiators and heater cores A repair agent that has a high probability of permanently repairing the damage. Price: ¥3,120

Lithlon Super Strong Oil Leak Repair Agent
Main Rear Seal Repair "A rubber seal repair agent that has a high probability of repairing oil leaks from crank seals. Price: ¥3,080

Nissan Seal Packing Bengala Liquid gasket
that can be used for engine, transmission, and differential assembly. Starts to harden in about 5 minutes after application. Price: ¥2,900

Nissan Seal Packing Black A liquid gasket
that can be used for engine assembly. After drying, it forms a rubber-like elastic coating that is highly resistant to heat and oil. Price: ¥3,100

Nissan Genuine Parts Cleaner (480ml) ¥1,300
Ideal for cleaning engine parts and brakes. Quick-drying type that prevents water droplets from sticking to parts.

Carb Cleaner (420ml) ¥1,200
A powerful cleaner that easily removes stubborn oil stains from the inside and outside of Solex and Weber.

Oil spray (220ml) ¥800
A spray-type oil that is convenient for preventing rust on cams, cranks, connecting rods, cylinders, etc. during storage.

Nissan Silicone Grease
Used for sealing and lubricating wheel cylinder cap rubber, etc. Price: ¥3,000

Nissan Seal Packing Gray A liquid gasket
that can be used for assembling engines, transmissions, and differentials. It begins to harden about 30 minutes after application. Price: ¥3,200

Oil Filter
Part number: AY100-NS008
Fits: L20 to L28, L14yL18 Z18, Z20, FJ20 Price: ¥1,450

Oil Filter
Part number: AY100-NS007
Compatible with: A12-A15, U20, H20 Price: ¥1,150

Oil Filter
Part number: AY100-TY013
Fits: 3K, 4K, 5K Price: ¥1,050

Oil Filter
Part number: AY100-TY017
Suitable for: 18RG Price: ¥1,260

Oil Filter
Part number: AY100-TY023
Suitable for: 2TG, 3TG, 2T, 3T Price: ¥1,400

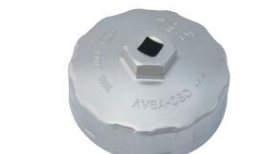

Cup-type oil filter wrench
Product number: AVSA-092
Fits: L20-L28, FJ20 Price: ¥3,210 *Filter diameter 93y

Cup-type oil filter wrench
Product number: AVSA-080
Compatible with: A12-A15, U20, H20 Price: ¥2,890 *Filter diameter 80.5y

Cup-type oil filter wrench
Product number: AVSA-064
Compatible with: 3K, 4K, 4AG, 3SG Price: ¥2,680 *Filter diameter 65y

Cup-type oil filter wrench
Product number: AVSA-080
Compatible: 18RG Price: ¥2,890 *Filter diameter 80y

Cup-type oil filter wrench
Product number: AVSA-095
Compatible with: 2TG, 3TG, 2T, 3T Price: ¥3,210 *Filter diameter 95.5y

GC210/S130 Injection Fuel Filter (y73)
Part Number: 16400-Q0805
Compatible with: L-type injection vehicles Price: ¥7,940

DR30 injection fuel filter (y56)
Part number: 16400-0W010
Compatible with: FJ20 injection vehicles Price: ¥6,070

Universal fuel filter
Part number: AY505-NS014
vehicles only. Suitable for carburetor for: 8mm hose. Price: ¥1,680

Oil Filter
Part number: 15208-78525
Suitable for: S20, G7 Price: ¥1,310

Oil Filter
Part number: AY100-TY014
Compatible: 4AG, 3SG Price: ¥1,000

Master back hose & check valve
Universal check valve ¥3,910
Universal master back hose ¥4,610
(inner diameter 9mm x 1.5M)

Blow-by hose
Part number: 31D003
Size: Inner diameter 15y, outer diameter 22y
Compatible: L type, 2TG, 18RG Price: ¥1,000/1m

General-purpose heater hose
(wall thickness 4mm, length 1m)
Heater hose with inner diameter of 16y ¥1,700
Heater hose with inner diameter of 19y ¥2,000

4mm Vacuum Hose
¥1,300/1m
Oil-resistant rubber hose that can withstand high pressure from oil coolers, etc. Can be used for boost gauges, distributor vacuums, etc.

12y pressure and oil resistant rubber hose
¥2,400/1m
Body ¥2,400/1m Body ¥1,200/0.5m

Inner diameter 6mm Fuel rubber hose (for carburetor vehicles) Unit price ¥1,000/1m

Inner diameter 8mm fuel rubber hose (For cab vehicles) Unit price ¥1,000/1m

Inner diameter 8mm Fuel rubber hose (high pressure compatible) for injection vehicles) ¥1,500/1m

Inner diameter 9mm Fuel rubber hose (for carburetor vehicles) Unit price ¥1,400/1m

Inner diameter 11.5mm Fuel rubber hose (for carburetor vehicles) Body ¥2,400/1m Body ¥1,200/0.5m
